Thinking outside the box

A Day at
the ole ball
park

44 to go

LHTG WaterVolleyball
Club Challenge 5/15/18

An evening
with the Water
Volleyball Club

8 men & 8 women for
two courts of play

Hello again to all of our new friends with the Tennis Club. Thank you for visiting us on May 15. We hope this new relationship continues, and opens the door to more fun here in Lincoln Hills. This year we have created special activity nights such as inviting other clubs to play with us. Tennis Club was the first to participate, and what a success!

The games produced long rallies, great comradery, and many smiles! It was impressive and fun to watch. Your club acclimated very well to playing in the water. We hope everyone enjoyed the night and shared the experience with friends and family. Let us know when your club would like to come back and play water volleyball again.

If anyone is interested in joining our club, please contact us through our email. It's a very easy process, and our door is open to you always.

Thank you again for participating,

Candy Castro
Communications Coordinator
Water Volleyball Club

President – Les Van Pelt
